2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Tega Cay Water Service (Utilities Inc) has not sufficiently maintained and treated wastewater issues with previously reported problems and rate increases. In no way should a rate increase be allowed to a company that is performing poorly and not in the best interest of it's customers. This company is trying to use its monopoly of the area to undercut residents and pad their pockets. This cannot be tolerated.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
